International Shipment Documentation

To facilitate prompt customs clearance and delivery of your international shipment, your shipping documentation should include:

- Complete commodity description (e.g., "technical manual")
- Value of contents
- Country of origin
- Recipient's tax identification number (if available)

Non-document shipments generally require a Commercial Invoice. Your shipment may also require additional documentation, e.g., bill of lading and/or permits. For more information, please visit fedex.com or call 1.800.GoFedEx 1.800.463.3339.

Documents pour envois internationaux

Pour faciliter le douanage et la livraison rapide de votre envoi international, veuillez fournir sur vos documents d'expédition :

- Une description détaillée de la marchandise (p. ex., manuels techniques)
- La valeur du contenu
- Le pays d'origine
- Le numéro d'identification des taxes du destinataire (si disponible)

Les envois autres que des documents doivent généralement être accompagnés d'une facture commerciale. Votre envoi pourrait aussi nécessiter des documents supplémentaires, tels qu'un permis. Pour de plus amples renseignements, visitez fedex.ca ou composez le 1.877.433.FedEx 1.800.463.3339.
